### FITNESS CERTIFICATE

As per recommendation report given by the Health Inspector of this institution I have inspected the site of Mar Baselios Public School Ward No. 10, Vijayapuram Kottayam.

I satisfied myself the essential facilities for CBSE affiliated school has been provided here. There is sufficient arrangement for good health conditions, sanitary conditions and safe drinking water facility, essential for an education institution.

Hence from the public health point of view I certify that the public school referred above is fit under Public Health Act.
